The logo is contained within a rectangular frame. The left side of the frame is a vertical gold bar with a textured, metallic appearance. The right side is a solid black vertical bar. The central white area contains the word "Whitegate" in a black, elegant cursive script. Below it, the word "EVENTS" is written in a simple, black, all-caps sans-serif font, with each letter spaced out.

Started thinking:

When people ask the name of your business, you don't have to say
'Whitegate Events'

You can just say 'Whitegate.'

My name is Lara, I'm the owner & lead event planner at Whitegate.
